Re: Proposed annexation to the City
of Glendora, "Southerly Annexation
District No. 4".

Dear Sir:

At the meeting held on October 6, 1954, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of September 28, 1954, of the proposed annexation of territory to the City of Glendora.

Upon recommendation of the County Surveyor, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Your attention is called to Section 35304.5 of the Government Code which provides that in annexations of the type of "Southerly Annexation District No. 4" which comes within three miles of any other city the consent of the legislative body of such other city shall first be obtained. The subject annexation comes within approximately one mile of the City of Covina.

Very truly yours,
